31st January 2017

Dear Parishioner,

Parish Event

We would like to invite you to help us bring together the Redmarley Parish Community for a day of fun and excitement that will appeal to all ages.

We are planning to organise a SOAP BOX DERBY: an event where entrants from all over the area design, build and race their Soap Box carts down Rock Pitch to see who can get down the hill the fastest. On the day there will be Ox roasts, fun fair activities, indeed, all the fun of a race day. Money generated will be used for the benefit of the Parish, our clubs and societies and nominated charities.

For an event like this to come about we need careful planning and help: this is where you and your club/society can play a part. Realistically, it will be impossible to organise such an event before 2018 BUT planning needs to start now!

Whilst the Parish Council will host the initial planning of the event, we expect that a Community Interest Company will be set up to ensure that the Community really does benefit from the day.

We hope that you and your organisation are interested in finding out more and joining the planning team. If so, then please do come to our introductory meeting on Thursday 23rd February at 7.30pm in the Ian Smith room of the Village Hall.

I look forward to seeing as many of you as possible on the 23rd.

Best wishes,

David Berrisford, Chair of Redmarley Parish Council
